

CM2 is a Limited Company, our team is made from an alliance of experts in the field of people development, with diverse backgrounds and experiences. That means that we can formulate the best approach to meet your needs. We all run our own coaching and leadership development businesses, working with a wide range of organisations across multiple sectors. We work collaboratively on large projects which require broad and deep expertise in various specialist areas of career and leadership development. Our approach means that we are agile, able to scale up where needed for larger projects, whilst maintaining a more affordable business model. All of the facilitators and coaches in our team are well known by us, qualified, insured and trusted by us to work to the same high standards for our clients, when the need arises as part of coaching support for larger Leadership Development Programmes.
